

BLACKMAN CHARTER TOWNSHIP PUBLIC HEARING
for PARKS AND RECREATION PLANNING

Date: December 14, 2023 **Time:** 5:30 PM -7 PM.

Location: Blackman Township Hall, 1990 W. Parnall, lower level

The purpose is to collect input for updating the Township's Five-Year Recreation Plan, and to share results from a survey done to determine the public's interest. The main Township property on Parnall now includes the former Marino's and (soon to be demolished) B & H Machine, allowing us to consider many additional options for our residents. Please join us for the discussion.
